

## **Rise Gold Announces C\$1.75 Million Financing**

**July 3, 2019 – Vancouver, British Columbia** – Rise Gold Corp. (CSE: RISE, OTCQB: RYES) (the “**Company**”) announces that it intends to raise up to C\$1.75 million through the issuance of up to 25,000,000 units (each a “Unit”) at a price of C\$0.07 per Unit, with each Unit comprising one share of common stock (a “Share”) and one-half of one share purchase warrant (the “Private Placement”). Each whole warrant (a “Warrant”) entitles the holder to acquire one Share at an exercise price of C\$0.10 for a period of three years from the date of issuance.

The Offering will be conducted pursuant to available prospectus exemptions including sales to accredited investors, family members, close friends and business associates of directors and officers of the Corporation, to purchasers who have obtained suitability advice from a registered investment dealer pursuant to the exemption set out in BC Instrument 45-536 (Exemption from prospectus requirement for certain distributions through an investment dealer) (the “Investment Dealer Exemption”) and to existing shareholders of the Corporation pursuant to the exemption set out in British Columbia Securities Commission BC Instrument 45- 534 (Exemption from prospectus requirement for certain trades to existing security holders) (the “Existing Shareholder Exemption”).

There is no minimum Offering size and the maximum offering is 25,000,000 units for gross proceeds of C\$1,750,000. Assuming the Offering is fully subscribed, the Corporation plans to allocate the gross proceeds of the Offering to: (i) engineering and permitting on its Idaho-Maryland Gold Project (C\$1,300,000) and (ii) general working capital (C\$450,000).

If the Offering is not fully subscribed, the Corporation will apply the proceeds to the above uses in priority and in such proportions as the Board of Directors and management of the Corporation determine is in the best interests of the Corporation. Although the Corporation intends to use the proceeds of the Offering as described above, the actual allocation of proceeds may vary from the uses set out above depending on future operations, events or opportunities.

If the Offering is over-subscribed, subscriptions will be accepted at the discretion of the Corporation; therefore, it is possible that a subscriber’s subscription may not be accepted by the Corporation even though it is received within the Offering period unless the Corporation determines to increase the size of the Offering.

The Existing Shareholder Exemption is available to shareholders residing in all Canadian jurisdictions. Shareholders of record of the Corporation as at July 1, 2019 (the “Record Date”) are eligible to participate under the Existing Shareholder Exemption. To rely upon the Existing Shareholder Exemption, the subscriber must: a) have been a shareholder of the Corporation on the

Record Date and continue to hold shares of the Corporation until the date of closing of the Offering, b) be purchasing the Shares as a principal and for their own account and not for any other party, and c) may not subscribe for more than \$15,000 of securities from the Corporation in any 12 month period unless they have first received advice from a registered investment dealer regarding the suitability of the investment. Existing shareholders interested in participating in the Offering should consult their investment advisor or the Corporation directly.

In accordance with the requirements of the Investment Dealer Exemption, the Corporation confirms there is no material fact or material change related to the Corporation which has not been generally disclosed.

The Offering may be closed in one or more tranches as subscriptions are received. There is no minimum subscription amount.

All securities issued pursuant to the Private Placement will be subject to statutory hold periods in accordance with applicable United States and Canadian securities laws. Rise Gold will use the proceeds from the Private Placement for the advancement of its Idaho-Maryland Gold Project and for general working capital.

The securities offered have not been registered under the United States Securities Act of 1933, as amended (the “**U.S. Securities Act**”), or any state securities laws and may not be offered or sold absent registration or compliance with an applicable exemption from the registration requirements of the U.S. Securities Act and applicable state securities laws.
