The Corporation is relying on exemptions from the formal valuation requirements and minority shareholder approval requirements of MI 61-101 pursuant to subsection 5.5(a) of MI 61-101 and subsection 5.7(1)(a) of MI 61-101 as the fair market value of the transactions do not exceed 25% of the Corporation's market capitalization. A material change report as contemplated by the related party transaction requirements under MI 61-101 was not filed more than 21 days prior to the closing as the decision to amend the warrants was only made recently.
